Report of Principal and School Improvement Council

"One Team One Dream" is our motto. 2013-2014 was a successful year at Long Middle School. This was the fourth year for the administration and the faculty met expectations. Eleven students were Junior Scholars. The Academic Bowl team competed and did exceptionally well. Band members received a superior rating during 24 solo and ensemble auditions as well as an excellent rating for 12 auditions.

As we focus on next year, Long Middle School will work to nurture improvements in home-school communication and building community within our student body.

Attempts to engage the community were conducted through the use of parent nights. Parents were informed on the dangers of drugs, gangs, positive instructional practices, and met local authors. Community involvement has been constant with PTO, SIC, and family fun night. LMS implemented a tutoring program and a FLEx program focused on meeting students where they are and providing them with tools to succeed.

Our professional growth emphasis this year was focused on the district-wide literacy initiative. The Effective instructional strategies were combined with the use of technology to enrich student engagement and motivation. Long Middle believes that it takes everyone working together on one team to make a difference in each child's life.

LMS continued to make great strides during the 2013-2014 school year. The administration, faculty, and student body continued to perform at a high level. True collaboration allowed for expectations to be met and student-centered decisions to positively affect the learning environment at Long Middle School. We invite the next set of challenges and strive for an even better 2014-2015 school year.

Debbie Jewart, SIC Chairperson

Matt Brantley, LMS Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	61.2
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
